

Weekly Deal Call - Agenda

Mondays | 60 minutes | partners + deal team | every deal leaves with a decision

Averroes Capital | July 2026

0:00

5 min

Pipeline health check

Straight from the tool, no prep slides:
replies this week | follow-ups due | stage moves | dormant count

DECISION: context set

0:05

15 min

1 . Intermediary deals

Each deal arrives with a half-page snapshot: source, revenue, EBITDA, ask / valuation, fit vs mandate, recommendation.

DECISION: qualify / disqualify - every deal gets a verdict, none carry over

0:20

20 min

2 . Top 5 primary deals

Tool-ranked from our universe. Metrics and financials pre-gathered:
SmartFill research, Companies House filings, revenue estimates, cap table.

DECISION: qualify for calls / disqualify - reason logged in the tool

0:40

10 min

3 . Schedule the week's calls

Qualified deals get slots across the week. Owner per the decision tree:
great opportunity - Bea | standard - team | unsure - gather info first.

DECISION: calendar invites out same day

0:50

10 min

4 . Next week's bench

Runs in parallel all week; reviewed here. Candidates for next Monday from:
tool shortlist (fit score) | new source URLs | referrals from replies.

DECISION: next call's top 5 proposed

Before the call (deal team)

- Snapshot memo ready for every intermediary deal
- SmartFill + Companies House run on all top-5 primary deals
- Financials verified: filed revenue / estimates flagged as such
- Follow-up queues cleared (3-day and 14-day)
- Bench candidates shortlisted for item 4

After the call (same day)

- Stage moves logged in the pipeline
- Disqualify reasons recorded on each passed deal
- Calendar invites sent for qualified calls
- Owners confirmed (Bea / team) per decision tree
- Dormant parks and nurture follow-ups scheduled
