

Responded Emails - Decision Playbook

How every outreach thread gets handled, from first send to who takes the call

Averroes Capital | July 2026

Agreed parameters

Follow-up cap: 3 touches, then Dormant | Nurture: monthly + news triggers (funding, filings, hires) | Bea routing: fit $\geq$ 75 + Target Band flags, screener confirms | Closed threads keep their news watch

 decision point call owner - - - - conditional loop
